Whee!
I missed my little Mu-Hyang!

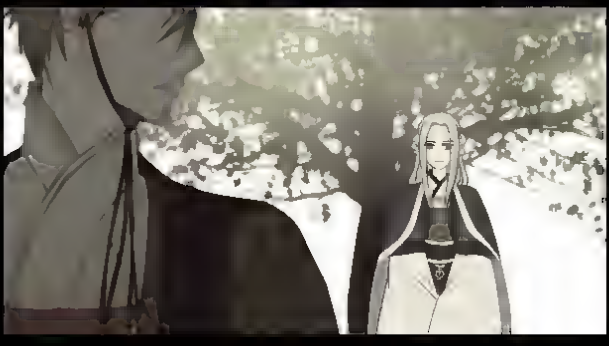

T/N: KOREAN KINGS HAVE A POSTHUMOUS NAME (EUN-WON, IN THIS CASE) AND A PERSONAL NAME (DO-AHN) POSTHUMOUS NAMES ARE GIVEN AFTER THE KING'S DEATH. HTTP://EN.WIKIPEDIA.ORG/WIKI/POSTHUMOUS_NAME

Or why don't you name Mu-Hyang the Crown Prince at least? Surely that will please Chui-Bi to some extent
General Hae-Woon (Baek-Yul's father)

I am pregnant.

...For Lady Chui-Bi.

What?
Then you plan to resist the ministers at every State Conference?

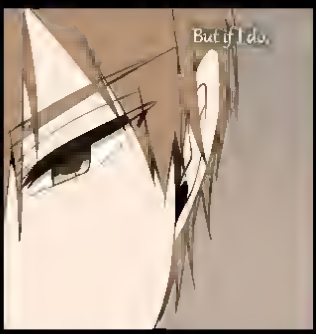

I don't know why people talk so much as they grow older.
Bi-Mu
Prime Minister
These days, I find joy in watching you clash with the ministers, sire.

And they're getting bolder these days--they dare raise their voices at me.
Dad!
Do they think I'm stupid just because I chose to keep silent?
Well, as you get older, your personality isn't getting any better either, sire.

But don't you think you should find a queen soon?
The longer you delay, the more they'll support Chui-Bi as Queen.
Yeah, I know, I know.

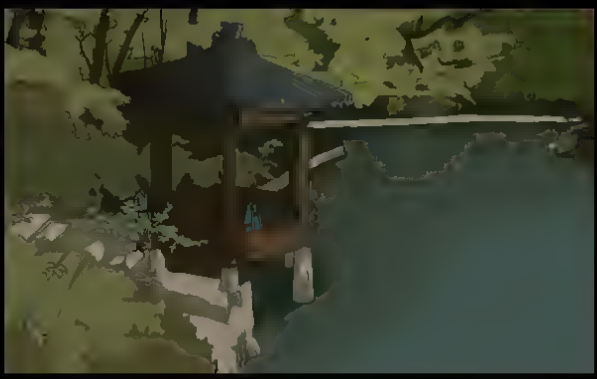

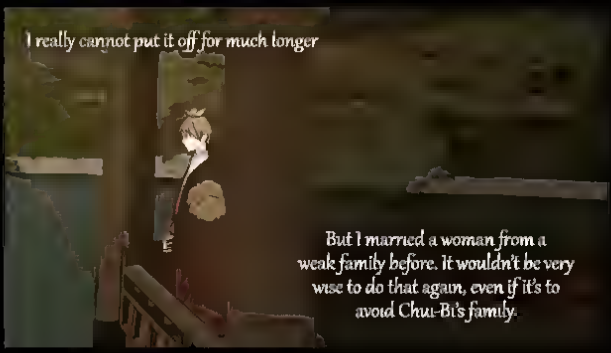

Maybe my biggest mistake...

...was acknowledging
you as my son.

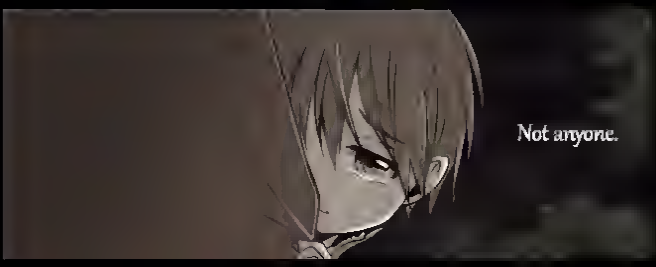

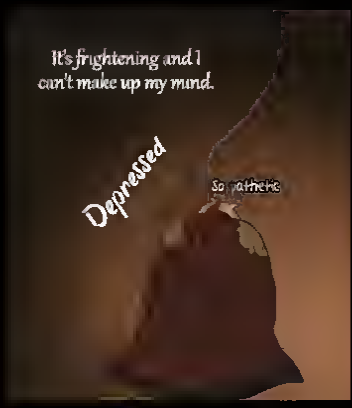

IT HAS ALREADY BEEN A YEAR SINCE THE QUEEN PASSED AWAY!
HOW MUCH LONGER DO YOU PLAN TO LEAVE THE COUNTRY WITHOUT A QUEEN?
Pants
THE WHOLE COUNTRY IS WORRIED. PLEASE MAKE A CHOICE SOON!

I really cannot put it off for much longer
But I married a woman from a weak family before. It wouldn't be very wise to do that again, even if it's to avoid Chu-Bi's family.

I cannot trust anyone who's not completely on my side.

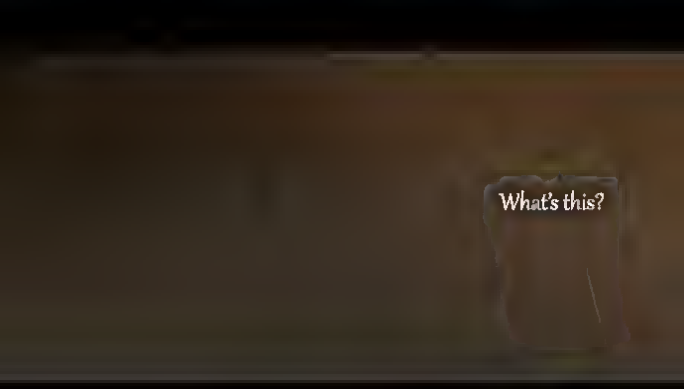

Not anyone.

It's frightening and I can't make up my mind.
Depressed
So pathetic

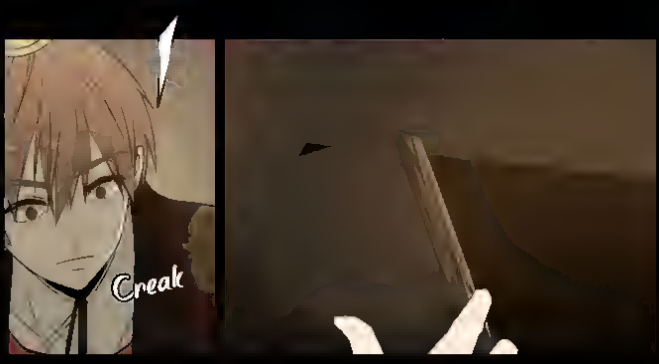

S-Sire? The night is growing chilly. You should retire to your rooms.
You think I'm pathetic, don't you? I think so, too.
Uh-oh, there he goes again.

Huh?

What's this?

There's a faint gap.
Wipe

Rattle
Rattle
Sire?

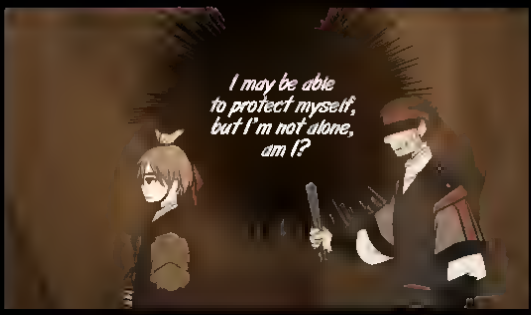

Creak

What... is this?

It's a secret passageway. What is this place?

Why don't we go back and return with some soldiers at sunrise?
Step
We can't risk something happening to you.
Step
It's okay, you're here

I may be able to protect myself, but I'm not alone, am I?

Got a problem with that?
N-NO!!
Did I say that out loud?

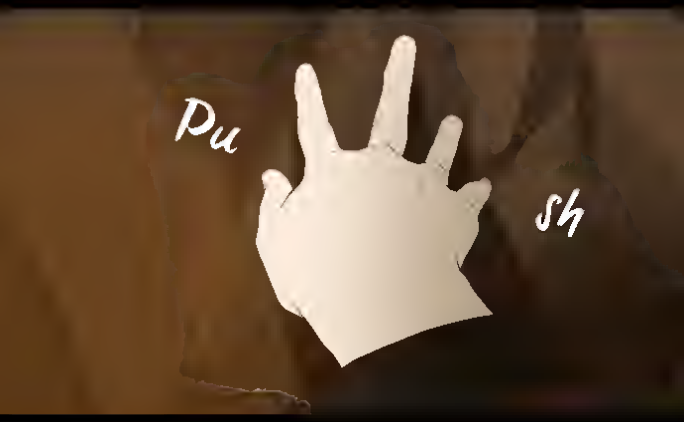

If you have a problem, just say so.
I'm great at reading other's expressions since I grew up with people giving me looks all the time.
Right.

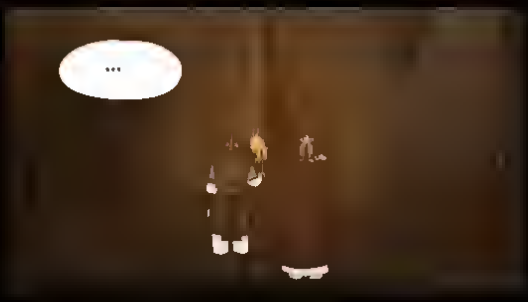

Hold on.
What's the matter?

I think there's something here

Examine
Doesn't it look like a door?
A door? Uh, sure. Or maybe just a rock.

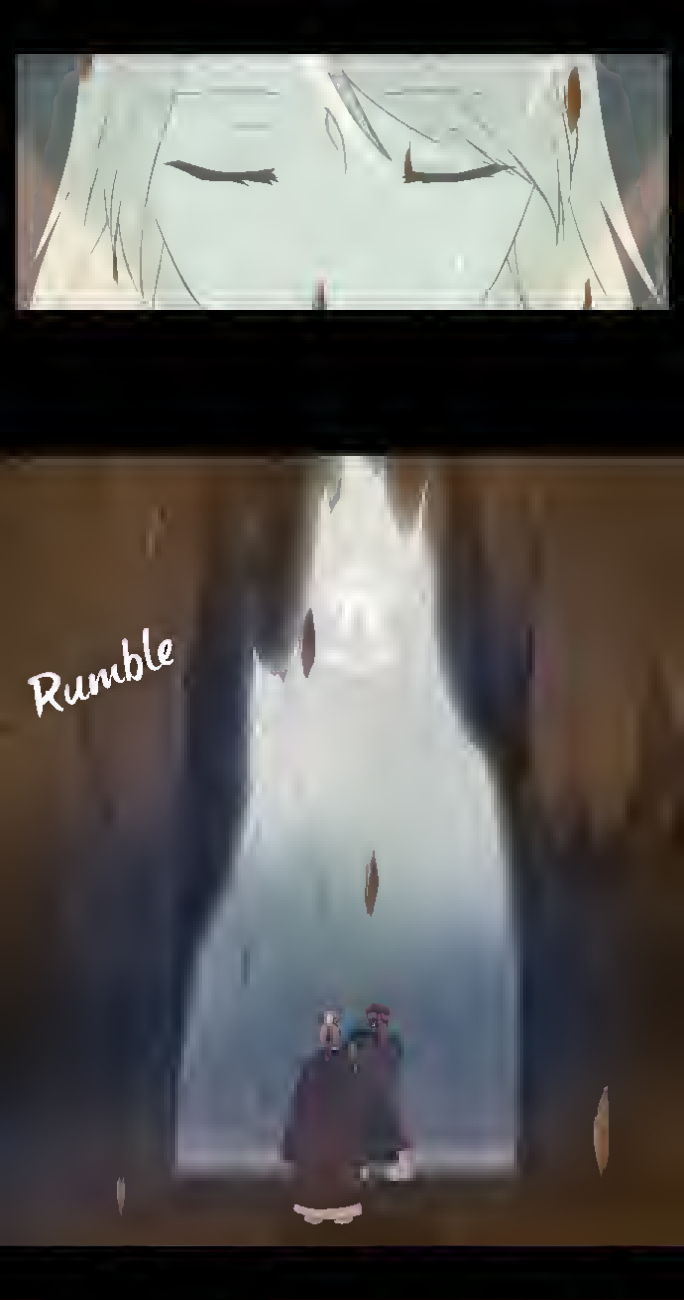

Pu
sh

...

See? Just a rock.
Should we explore farther?

I can't see the end. It would be wiser to come back in the daytime.
...
Scratch
Everyone will be looking for you if you're missing from your room at this hour.
I guess so.
There doesn't seem to be anything all that special down here anyway. There's no need to come back here.
He lost interest so quickly
Wait for me, arel!

THERE IS NO WAY SHE'S HUMAN!
I STILL CAN'T BELIEVE MY OWN EYES! HOW CAN A PERSON BE TRAPPED IN A BLOCK OF ICE?
SHE'S A GHOST! A FIEND! SHE MIGHT BE THE NINE-TAILED FOX!
How rude. She's so pretty.
He's been charmed. No doubt about it! Charmed by that nine-tailed fox!

She might be a priestess.
A priestess?
I suppose we can only find her identity when she wakes up.
And don't be so childish; there's no such thing as a nine-tailed fox
AND YOU THINK PRIESTESSES AREN'T DANGEROUS??
SHE MIGHT HARM YOU WITH HER DIVINE POWERS!

Hello there, Ms. Nine-Tail.
You're not in a dangerous place; no need to be so suspicious.
But anyways, why were you in a place like that? What's your name?

...
Name?
Yes, what's your name?
Who... who am I?

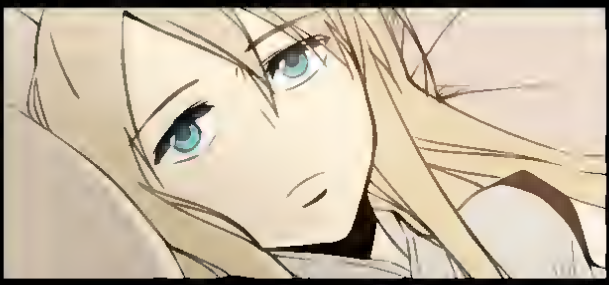

Ga-Bi erased Baek-Yeom's and everyone else's memories, including her own and sealed herself.
So when her seal broke and she awoke, she couldn't remember anything.

Who she was.
...why she was there, and why she possessed divine powers.

Not a thing.

I'M TELLING YOU AGAIN. IT'S NOT TOO LATE. KICK HER OUT OF THE PALACE!
Yawn

You came to see me at daybreak, so I thought it was something important. But you came here to say that?
DON'T JUST BLOW OFF MY CONCERNS! THIS IS SERIOUS!
SHE'S A DANGEROUS WOMAN!

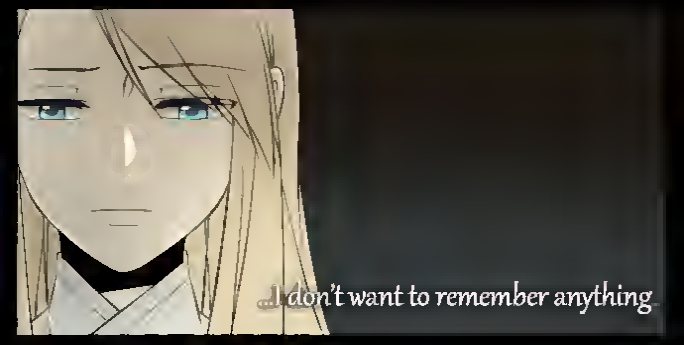

How?
COME ON. WOULDN'T YOU NORMALLY CONSIDER ANYONE DANGEROUS IF YOU FOUND THEM LIKE THAT?
Hmmm. Naw. I don't find her particularly dangerous.

Let's be honest here. Aren't you just letting it slide because she's pretty?
Ah! That must be why.
SIRE!!
Don't get yourself worked up. I'm being cautious in my own way.
Isn't it intriguing? Why was she there?
And since we don't know her identity, isn't it more interesting to find out what she really is instead of avoiding it?

For some reason,

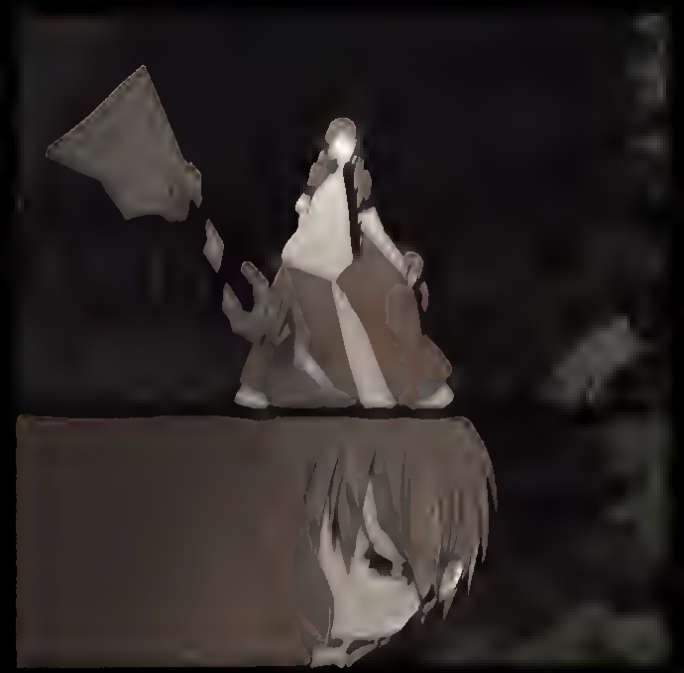

What are you thinking about?
Don't you like the food? Should I have the cooks prepare something else?
No, that's not it...
?
Is there something you want to say?

Is this really all right? I don't know why I was in that state.
Is it really okay for me to stay here?
I don't know either. I cannot be certain that you won't harm me.
But if we stay close to each other like this and get to know each other better, maybe you won't harm me even if your memories return in the future.
I won't harm you.

Even if my memories return,
I won't harm you.

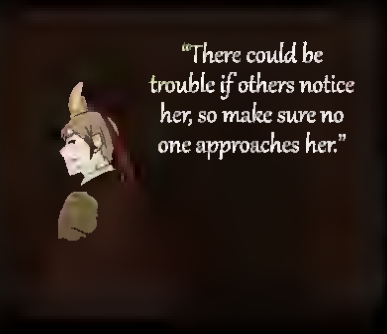

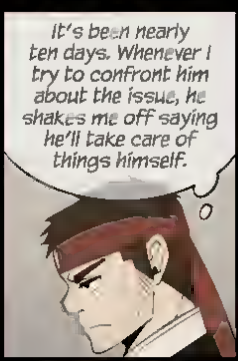

I don't believe in promises like that now
Oh, umm.
Fidget
Fidget
Look at her, all embarrassed.
So cute.
Offer
Well then
...

Surprised
HA-HA HA-HA-HA-HA HAHAHA!
Yes, if you pinkie-swear, I guess I have to believe you.
Clasp
It's a promise, okay?

How did I get stuck as bodyguard for a woman like her?

"There could be trouble if others notice her, so make sure no one approaches her."

It's been nearly ten days. Whenever I try to confront him about the issue, he shakes me off saying he'll take care of things himself.

Could she be enchanting him when they are alone together??
Mwa-

UH, HOW ARE THINGS GOING WITH THE KING?
With the king?

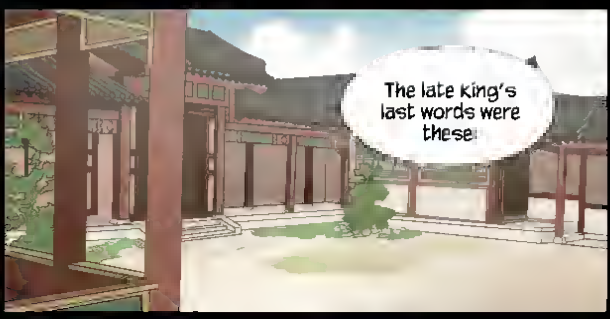

Well, I've been listening to his stories.
Stories?

I'm kinda de-pressed today. They lash out at me like I'm their plaything or something. They find fault with everything.
I'm so angry right now. They're so uppity and disagree with everything that I say.
I'm feeling down today. I'm so sad, I could cry. I want to cry.
boo-
hoo

You know, things like that.
Did he forget how to act like a king?! That is downright embarrassing!
Did you hear the juicy rumor? They say the king is hiding a woman in the palace.
Oh, come on. No way.
But only General Hae-Woon serves the food, and he asked us to bring women's clothes last time.
Oh, my. They must be talking about me.
Even after I told them to keep their mouths shut.

Who could she be? Maybe she's a lady-in-waiting?
Then again, I suppose it would be strange if there were no rumors.
Maybe, but then why would she be hidden away? Maybe she's from outside the palace
Well she's really lucky, whoever she is.
I know right? If only the king would look my way just once even.
I wonder how it would feel to be loved by someone as handsome, solemn, poised, and nice as him.
...
Heh. There must be...
another king in this palace
She's bad-mouthing the king like it's nothing!!
Solemn?
Poised?

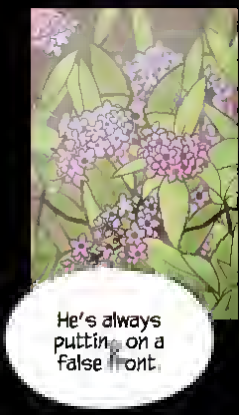

WHAT ARE YOU CHATTERING ABOUT OVER THERE?
W-WE'RE SORRY!

The late King's last words were these.

Try to avoid talking if at all possible.
Because you look ridiculous.
Oh, Father

To tell the truth, His Majesty is not very tough.
He is a bit delicate, and the smallest injuries can get him down.

However, as king of this country, he keeps his weakness well-hidden.

He's always putting on a false front.

It must be tiring for him.

Sire, I must inform you of a shocking rumor.

Your spies must be doing a rotten job if the rumor is only reaching you now.
ROTTEN JOB?! ALL MY MEN ARE THE BEST!
I guess nobody needs to spy on this idiot.
The rumors say that you're not even trying to find a queen because that woman has charmed you!
The story is that she's a mere prostitute. Is that true?
Are you trying to interrogate me?

No, I think these rumors are circulating because of your delay in selecting a queen.
So please choose your wife soon.
Aren't you simply trying to tell me one thing?
"Please select Chui-Bi as the queen." Isn't that what you wish to tell me?
ER! UH, WELL...!
It's not a rumor.

Pardon?
It's not a rumor. I do have a woman in the palace.
S-SIRE!!!
I cannot help you this time, Sire.
What does he plan to do?
WHOSE FAMILY IS SHE FROM? SURELY SHE'S NOT A PROSTITUTE LIKE THEY'RE SAYING?
She is Prime Minister Bi-Mu's adopted daughter.

Divine Bells 1

Season 3, Chapter 2:
Confession

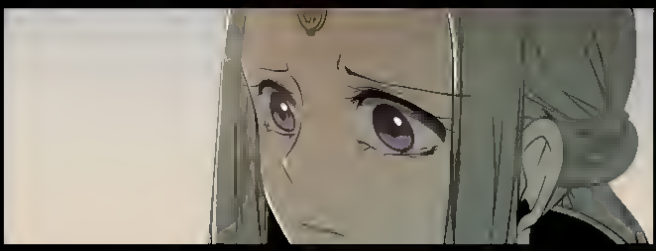

I made the problem worse and got yelled at by the Prime Minister.

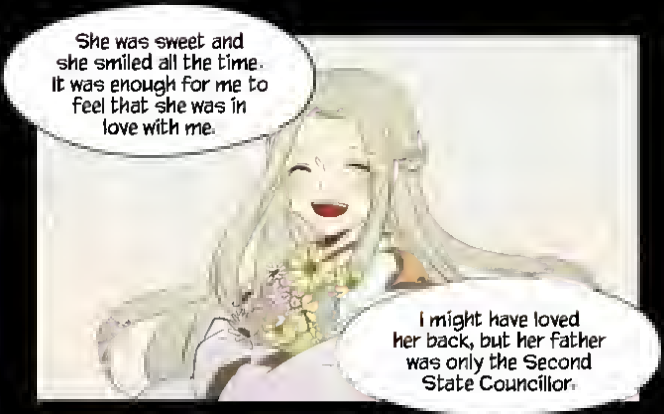

What's this I hear about Prime Minister Bi-Mu's adopted daughter? And is it true that you plan to marry her and make her queen?
My queen? Here? This rumor's getting out of hand.
Why are you asking?
WHY? ISN'T IT NATURAL FOR ME TO WONDER ABOUT IT?
Is it any of your business?

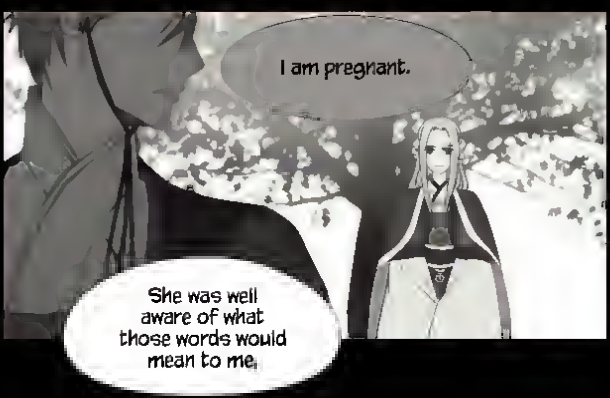

You know, originally, she was a warmhearted person.

She was sweet and she smiled all the time. It was enough for me to feel that she was in love with me.
I might have loved her back, but her father was only the Second State Councilor.

So I was cold and mean to her.
I hoped that she would lose her feelings for me.

I thought that would be better for both of us.
But I now realize I was wrong.

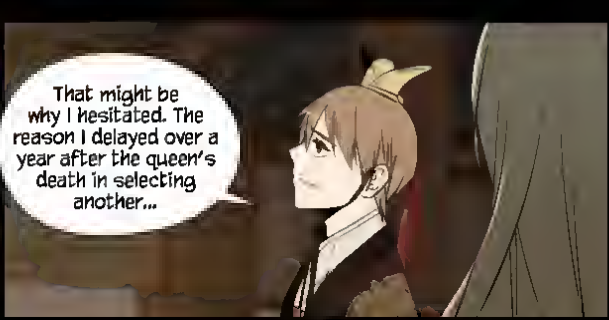

I am pregnant.
She was well aware of what those words would mean to me.

...but she looked at me as if she'd given up on everything

And at that moment, reflecting on how I'd treated her, I pitied her.
Did I drive her to that state?

If I was a much more powerful king, if I had the confidence to ignore the status of Chui-Bi's family
Tap
Tap
maybe she wouldn't have looked so forlorn

I couldn't bring myself to be the king I should be
I'm such a weak king

That might be why I hesitated. The reason I delayed over a year after the queen's death in selecting another...

...was because I was afraid to father a child.
I worried that my child would become a king like me

A king, weak and powerless, like me.

I feared my son would feel the same indescribable weakness that I feel, and hate me for it.

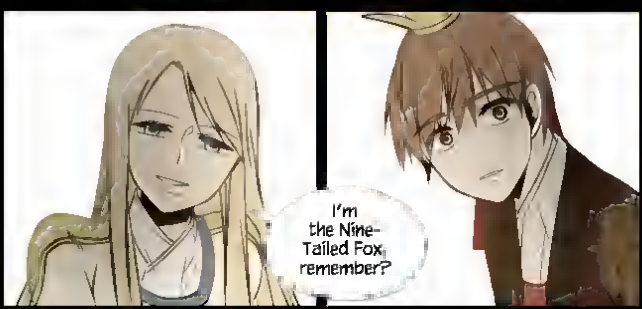

A person cannot be truly strong unless he fully understands himself.

You must know your weaknesses to overcome them.

You *are* overcoming your weaknesses, Sire.

...and I'm sure your child will not feel that way.
How could you ever know how my child feels if he's not even born yet?

I'm the Nine-Tailed Fox, remember?

I really wonder if you'll chew me up when your memories return.
Ha
I won't. I promised you.

...

Maybe it's for the best.
What is?
Telling them that Ga-Bi is my adopted daughter and selecting her as your queen.
If even you don't know her that well, then the councillors won't be able to learn much about her identity either.
So there will be no problem if you select her as your queen, as she will be my adopted daughter.
No, I won't do that.
Aren't you interested in her?

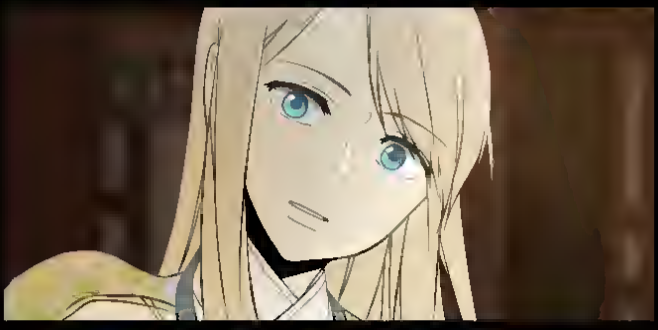

But what if I do this because I want to?

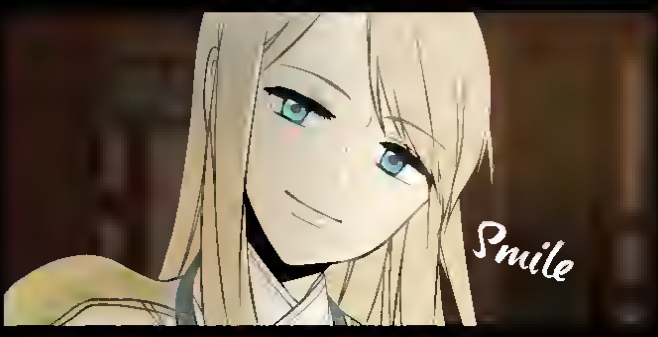

...marry me?

But the emperor offered to send his servants to guide us Why did you decline his offer?

Also, I don't like the feeling that I'm under surveillance
Maybe Cheon-Woo Pond is through here?

Oh, please. As if I would give my child to Myung-Joo. Nan-Hun would get the bad end of that bargain.
I see you haven't changed a bit, My Lady.

Oh, pardon me. you two haven't been introduced. This is my wife, the queen of Myung-Joo.
It's an honor to meet you Your Majesty.

At that time, Ga-Bi did not know which of the three princes was Baek-Yeom.

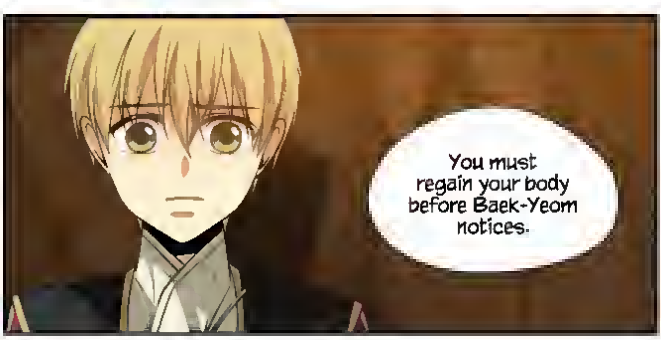

All she knew was that he was one of them, and tried to figure out which.
And she left this palace after sealing away your divine powers.

I was told that my mother passed away unexpectedly.
So, is that how...
Creating a fake body is easy for someone like Ga-Bi.

At that time, it was the best decision. Everyone would've become suspicious when the queen did not age.
She had no choice but to leave the palace as soon as possible, before anyone started to wonder.
That is all that I can tell you for now.
BUT THERE ARE STILL MUCH MORE IMPORTANT QUESTIONS!

How did Ga-Bi, my mother, revive me a year ago?
And where is she?

I'm afraid that will have to wait for another time.
We really must hurry.
Maybe you can't feel it because you don't have any divine powers at the moment, but Baek-Yeom's power has become far too strong

You must regain your body before Baek-Yeom notices.

And,

...if you find out how she revived you,

...you might not want to go back to your original body.

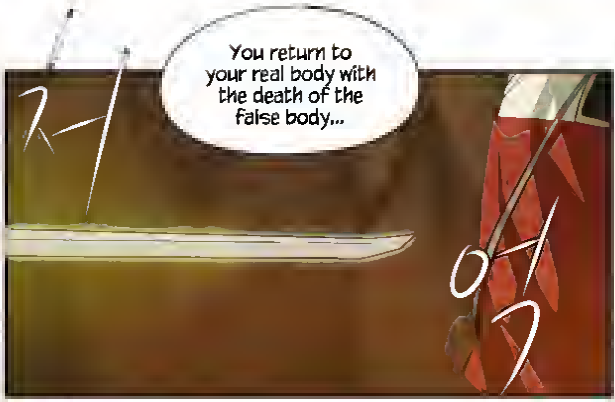

How can I go back to my original body?

It's simple.

YOUR EXCELLENCY!
It's late at night. What's the matter?

P-Prince Dong-Hyung has disappeared from his chambers.
Disappeared? What do you mean?
Where could he go in that state?

But what's going on?
Why is Dong-Hyung Baek-Yeom? What about Jin-Won?
I'm still confused myself, so don't expect me to explain.

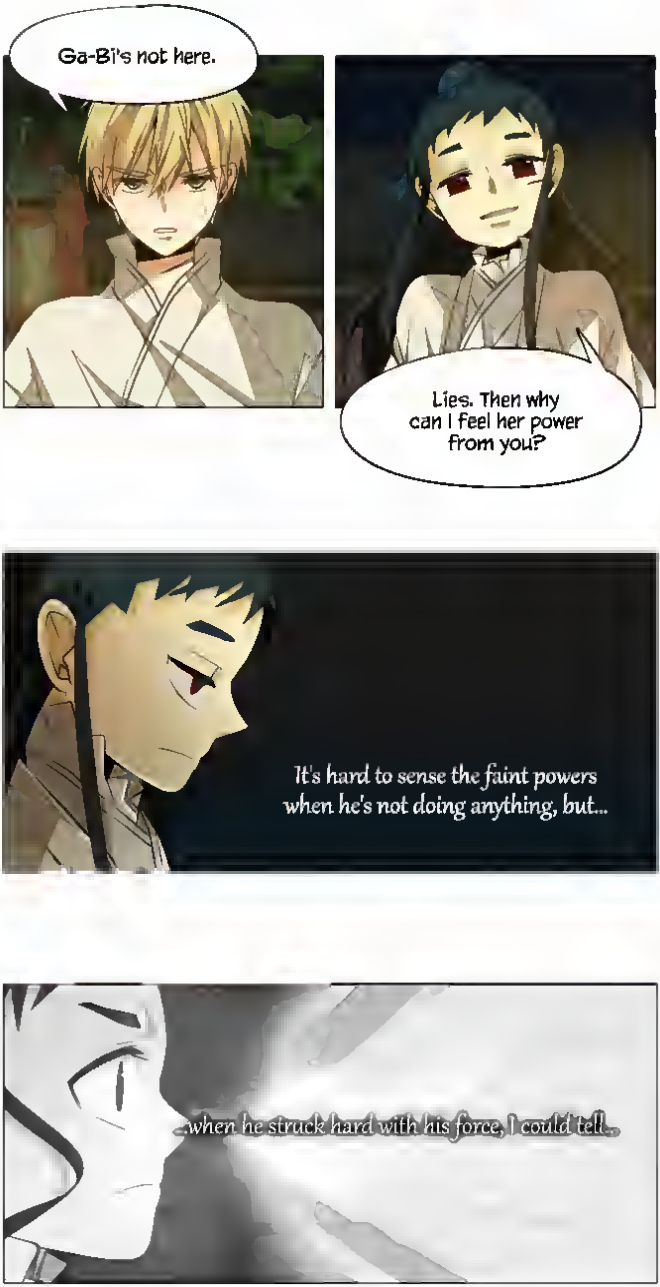

But, why?

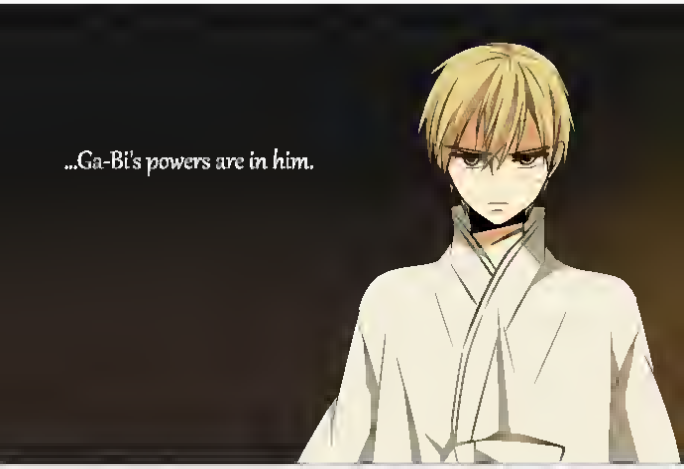

Why does he feel so familiar?
I had the same feeling back in Hyang-Won.

And also...

...Ha-Hyeon...

You still haven't answered my question.
Where is Ga-Bi?

Ga-Bi's not here.
Lies. Then why can I feel her power from you?
It's hard to sense the faint powers when he's not doing anything, but...

Divine Bells 7

Season 3, Chapter 7.
Aim

You hate your power, don't you? You fear it and loathe it; so I'll take it for you.
Of course. I'm not asking for everything. Keep the normal amount of Divine Power that most people have and give the rest to me.

Give me your powers just like you did with the Divine Bells.
It's impossible to directly give someone my Divine Powers.
Have you tried it before? You haven't, right?
How can you say it's impossible if you haven't even tried?

I was able to create the Divine Bells and share my power with them.
But it would be very dangerous to try with a human or any living thing.
The foreign Divine Power might have side effects or be rejected.
If so, your life might be in danger.
Don't you worry about that.
I have a good idea.

Someone like you, Ga-Bi, must have another way to transfer your powers

Yes, you must've known that it was possible.

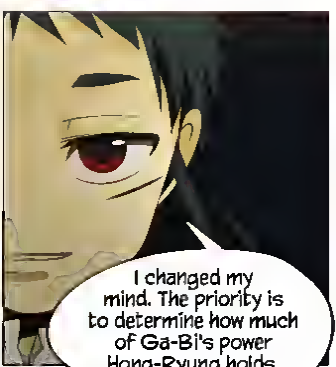

Yet you lied to me, wiped my memories, and vanished along with your Divine Bells.

SFX: Step

And are you running away again, Ga-Bi? Do you really think you can make me give up so easily?

We don't need to find Ga-Bi right now.
What?

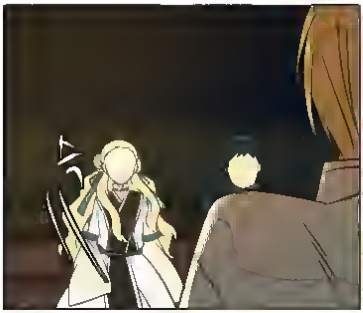

I changed my mind. The priority is to determine how much of Ga-Bi's power Hong-Ryung holds.

I need to know if he is as mighty as Ga-Bi.
What are those two whispering about?

So, does that mean you want him alive?

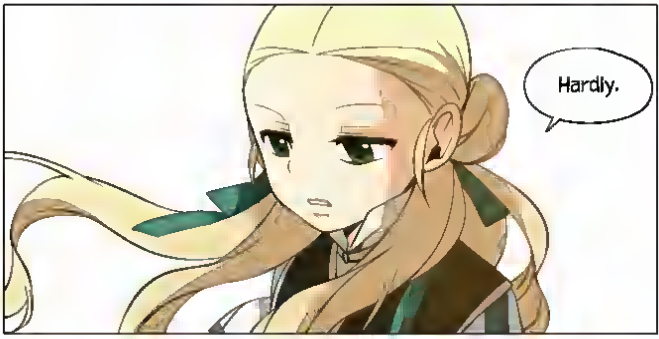

No. I'm going to attack to kill and see if he can withstand me.

Awww. What's the matter? Did you grow fond of him? Are you sad to see him die now?

It would be amazing if she were still alive today, but absolutely impossible that she could give birth.

If Ga-Bi stopped aging as a young woman, then she would have a young woman's body.

If Baek-Yeom does reincarnate himself, then I might not be able to stop him now that I'm so much weaker than before.

Kugh

There's still another piece of bad news to add to this mess.

The Emperor of Dae-Hyun is preparing for a war...
...against Myung-Joo.

WHY WOULD DAE-HYUN ATTACK MYUNG-JOO?
You tricked Emperor Hyun-Joo into thinking you were dead? He found out you're alive, you see. And now he's furious.

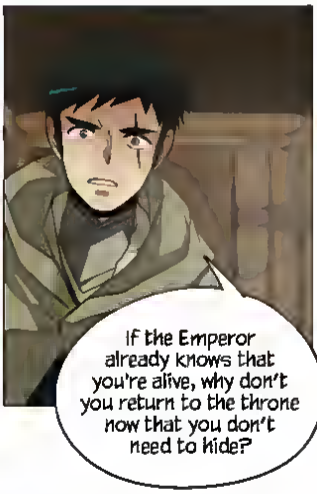

Also, he thinks that Ga-Bi is in Myung-Joo.
Apparently, he wants to take Myung-Joo rather than search for her in secret.

Most likely, his brother maneuvered him into this decision. Though now we know his brother is Baek-Yeom.

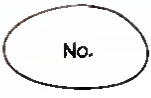

So, after all his bluster, the emperor is actually dancing to Baek-Yeom's tune.
Sire...

Just why would Baek-Yeom want to go to war? And, if he's behind it...
...we must not go to war with him.

What if we inform the other countries and try to stop Dae-Hyun?
I'm not sure about that. Would they actually fight against Dae-Hyun on our behalf even if they knew the story?

If the Emperor already knows that you're alive, why don't you return to the throne now that you don't need to hide?

...

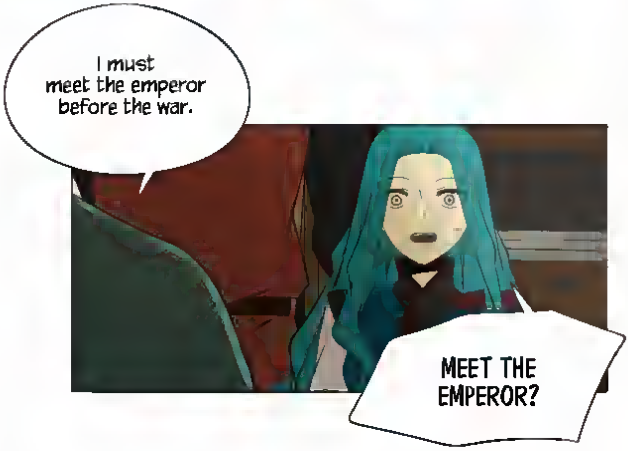

No.

I will not return to the throne.

SIRE!!
Why not?

Maybe not as much as before, but people still think that a male with Divine Powers is an ill omen.
So it might worsen the situation if I return to the palace now that I have Divine Powers.
And if I reclaim my title, then information about me might leak out to Baek-Yeom. Hence, it's best if I continue operating in secret.

What will you do now?

I must meet the emperor before the war.
MEET THE EMPEROR?

I must inform him that Dong-Hyung is Baek-Yeom.
...and let him know that he has played into Baek-Yeom's scheme.

...and about Madam So-Hae-Hu.

If he cannot sort his priorities and see what's most important,
...then he has no right to be Emperor of Dae-Hyun.

If he said that in Dae-
...then even the king of Myung-Joo...
...would be in deep trouble.

So you plan to go to Tae-Ryung Palace?
Yes.

There's a barrier around Tae-Ryung, so it will be difficult to infiltrate.

There's no need for us to sneak inside.
He'll come out to parley if we make a lot of noise.

He appears calm...

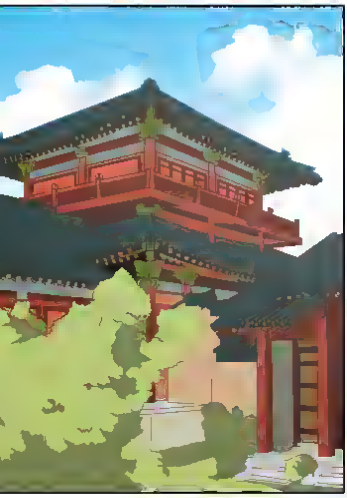

And Gang-Hui.
Yes, sir?
Teach me how to use Divine Powers properly.
Time is short, so teach me to get the most out of my powers in the least amount of time.
That won't be easy.

A False Front

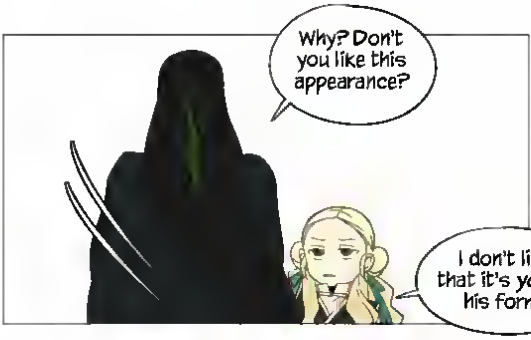

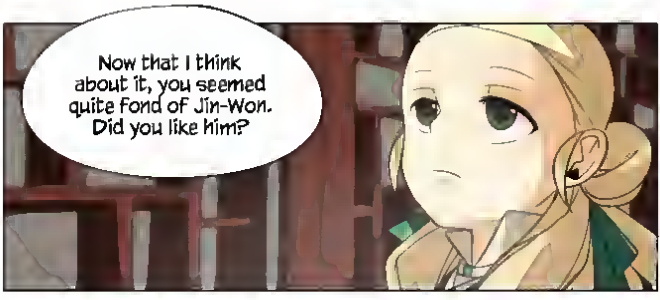

...
Hey.

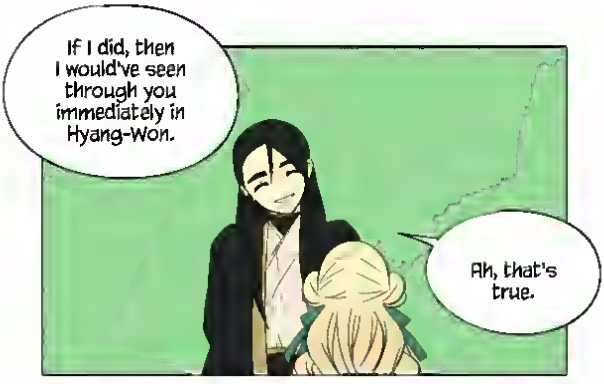

Why are you in that form again?

Because my real body is healing in the palace.
But that doesn't mean your fake body must look like Jin-Won.

This body is a lot like my original, so I feel comfortable in it.

Why? Don't you like this appearance?
I don't like that it's you in his form.

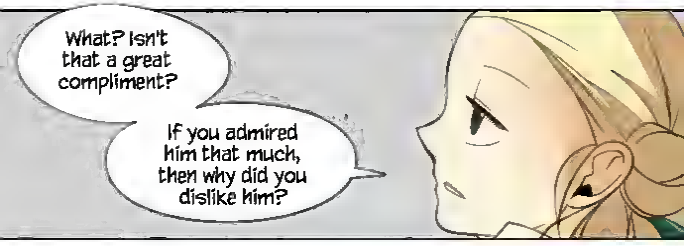

Now that I think about it, you seemed quite fond of Jin-Won. Did you like him?

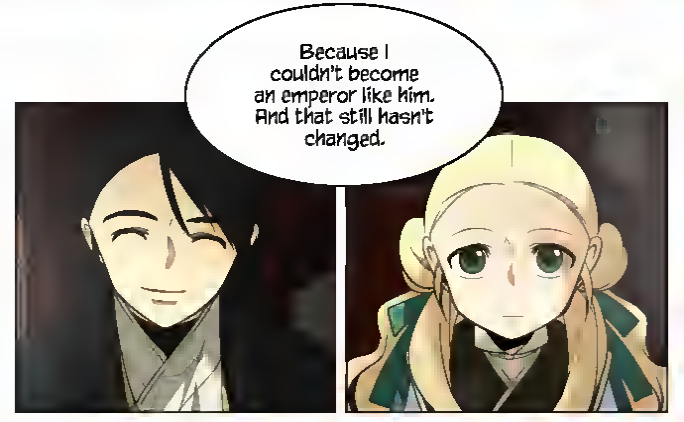

If I did, then I would've seen through you immediately in Hyang-Won.
Ah, that's true.

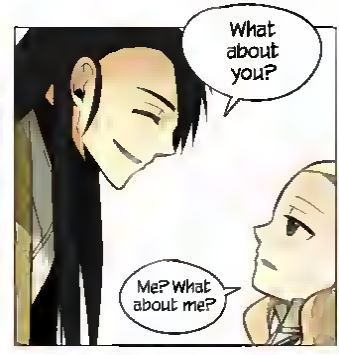

What about you? Didn't you like him? After all, he was your brother in this life, regardless of the past.
Hmmm.
Before my memories returned, I wondered why I felt so uncomfortable every time I saw Jin-Won.
Once I could remember, it was obvious.

Jin-Won resembles him a lot, you see.
"Him?"
He had an easy-going* personality, but underneath was a loyalty for Dae-Hyun as fierce as anyone's.
Just like my father in my previous life

*TN: REMEMBER YOUR FAVORITE SCANLATORS' EASY GOING SCANS!

What? Isn't that a great compliment?
If you admired him that much, then why did you dislike him?

Because I couldn't become an emperor like him. And that still hasn't changed.

What about you?
Me? What about me?

That king of Myung-Joo. I told you to get friendly with him, but I didn't think you'd get that close.
Were you actually serious about him?

When you protected him in Hyang-Won, you seemed ferocious when you should've realized you were fighting me.

Hey, Wi-Jin.
Yes?

Are you all right?

...

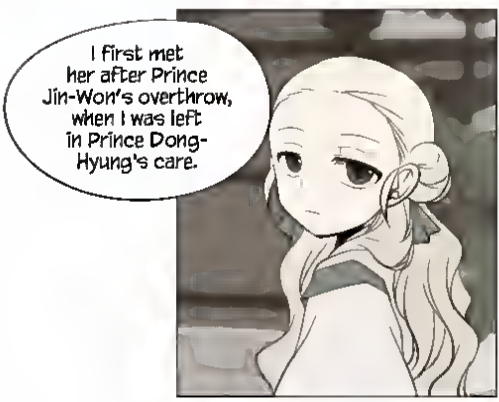

You don't need to worry about me.
I know you're feeling even worse right now.

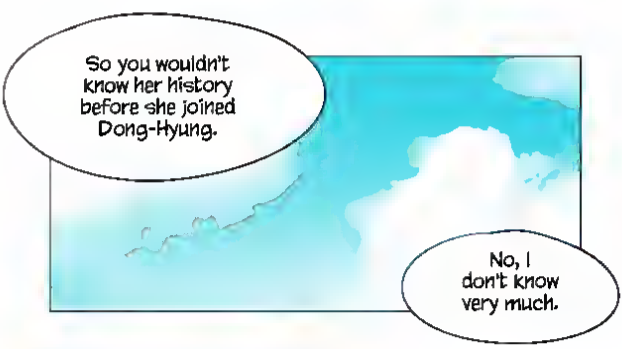

Why do you put on a false front, like nothin 's wrong? You're ex austed, aren't you?

It's because I would be ashamed if my mother saw me like this, in such low spirits.

But tell me, Wi-Jin, when did you first meet Ha-Hyeon?
Ha-Hyeon?
Let me see, probably...

...a year ago

I first met her after Prince Jin-Won's overthrow, when I was left in Prince Dong-Hyung's care.

So you wouldn't know her history before she joined Dong-Hyung.
No, I don't know very much.

Why do you ask?
...

I think that Ha-Hyeon...
...knew me before we met.
When someone I loathed appeared right in front of me...
It was all a false front. I put on a big act so he wouldn't see how I really feel.
?

Otherwise...

EGS/N: REMEMBER, EASY GOING SCANS — BRINGING YOU DIVINE BELLS SINCE THE VERY BEGINNING!

There's no way I can relax when we're on the brink of war.
And to save me, mother...
But what about you? Why are you acting like nothing's wrong?
Well, how should I put it? It feels unreal to me.
Maybe it's because I didn't see it with my own eyes, but I can't believe Ga-Bi is no longer alive.
I suppose every living thing eventually dies. That's the way of life.
Ga-Bi has always envied that natural cycle.
Being able to age naturally, meet someone to love, have children, and pass away when the time comes.

I remember asking Ga-Bi about this before.

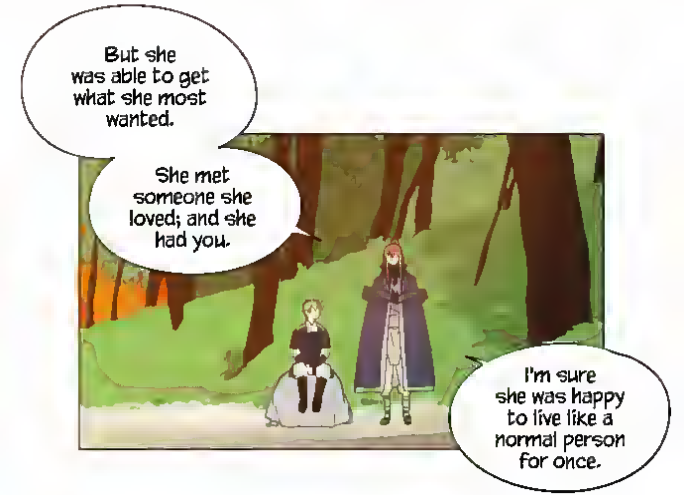

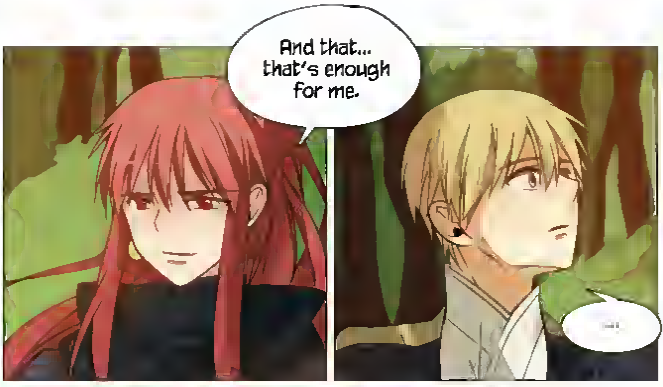

Since your body is still young, surely you can still get married and have children.

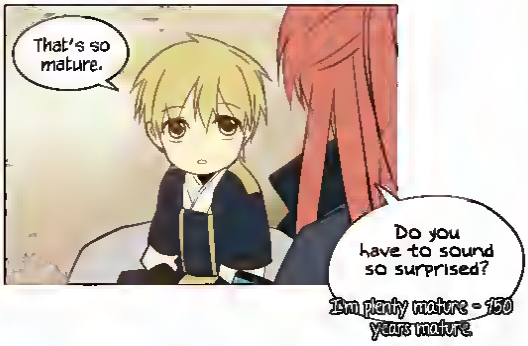

But I'll be the only one frozen in time

My husband and my child will gradually age, and I'll have to watch those I love die

That's a bit too sad for me.
